Null Furniture, Inc. is a family owned and operated furniture distributor located in the Piedmont of North Carolina.

We are committed to excellent service, quality, and value in home furnishings. Our overhead is kept low by our small efficient staff.

You can be sure that experience in manufacturing and product design enables Null to provide structurally sound lines of furniture that follow current trends while providing classic favorites.

Expressions is a collection of unique standalone accents designed and scaled to accentuate and complement any room.

Accents are available in different paints and stained finishes. As we continue to expand this collection, our goal is to create fresh, eclectic, and current products. Let us help you furnish your living spaces.

Due to natural variations in veneers and hardwoods, such as grain, texture and color, no guarantee can be made of an exact match to photography. Because of the natural characteristics of wood, and because finish is applied to solid woods as well as veneered panels, slight variations in color may occur. Factors such as aging and exposure to various forms of light can alter finishes.
